MISSAB

The Minimally Invasive Spine Surgeons Association of Bharat (MISSAB) is at the forefront of advancing minimally invasive spine surgery in India. Committed to uniting experts and disseminating cutting-edge knowledge, MISSAB serves as a hub for excellence in this critical medical field. By bridging the gap between pioneering research and young practitioners, MISSAB is shaping the future of spine surgery, ensuring the highest standards of care for patients nationwide.

MISSABCON 24

The 10th Anniversary national conference hosted by MISSAB & Spine Association of Gujarat (SAG), is a landmark event in Indian spine surgery. This time it is going to be held at The Leela, Gandhinagar in October 2024. MISSABCON24 will showcase the latest in minimally invasive spine surgery. With transformative technologies and innovative techniques, it offers a unique platform for networking and learning. Sponsor "MISSABCON 24" to position your brand at the forefront of surgical innovation, reaching leading surgeons, healthcare professionals, and industry experts. Don't miss this opportunity to support the future of spine surgery in India.
