Message from Organising Committee

Dear Friends and Colleagues,

With the changing landscapes, dimensions and dynamics, with the entire world getting on the virtual tenterhooks, it is time to adapt to the new, changing and demanding situations and keep delivering best results. The global pandemic has challenged us with a new task, and I am sure we will, together, with each other's support, achieve it. MISSAB Surgical Symposium will be a complete virtual conference with live surgeries streamed from 3 different cities and promises to be a world class experience. The Organising committee is making an all-out effort to deliver top class scientific content.

The International and national experts in minimally invasive spine techniques will take us on a journey to the recent clinical and technological advances in management of MIS Surgeries. Focus of the meeting is on MIS techniques with emphasis on evidence-based approaches.

I earnestly request you all to participate in this virtual conference in large numbers and make it a success. On behalf of the organising committee I invite and welcome you all to MISSAB Surgical Symposium 2021.

**Dr. Rajakumar
Deshpande**
Organising Chairman

**Dr Umesh
Srikantha**
Organising Chairman

**Conference
Registration Fees**

**Indian Delegates
INR 2000**

**Foreign Delegates
USD 75**

12:00 - 1:00 PM	Free Paper Session
1:00 - 2:00 PM	Lunch Symposiums (Industry sponsored)
2:00 - 3:00 PM	Case discussions - Ask the expert panel
3:00 - 4:10 PM	Live-Wire - Debate (NET pe Charcha)
4:10 - 5:00 PM	Didactic Lecture Session -7
5:00 - 6:00 PM	Free paper session
6:00 - 6:40 PM	Live-Wire - Debate (NET pe Charcha)
6:40 - 7:40 PM	Surgical video session
7:40 - 8:00 PM	Valedictory

Time	HALL - B
8:00 - 9:00 AM	Keynote lectures
9:00 - 10:00 AM	Surgical video session
10:00 - 11:00 AM	Case discussions - Ask the expert panel
11:00 - 11:30 AM	Didactic Lecture Session
11:30 AM - 12:00 PM	Didactic Lecture Session
12:00 - 1:00 PM	Case discussions - Ask the expert panel

Time	HALL - B
1:00 - 2:00 PM	Lunch Symposiums (Industry sponsored)
2:00 - 2:40 PM	Didactic Lecture Session -5
2:40 - 3:20 PM	Didactic Lecture Session -6
3:20 - 4:30 PM	Quick bits - Tips and tricks for a safe spine surgery
4:30 - 5:30 PM	Case discussions
5:30 - 7:10 PM	Live-Wire - Debate (NET pe Charcha)
6:20 - 7:10 PM	Lumbar Interbody fusion - Which technique will win the race?
7:10 - 7:40 PM	Case Discussion

Submit a Free Paper and Become A PANELIST!

How it Works?

- Register for the virtual conference
- Submit a Free Paper or an Interesting Case
- Be a special panellist in a case discussion/debate along with elite and experienced surgeons.

Free Paper Submission

IMPORTANT DATES TO BE NOTED

Submission Opens	25th January 2021
Submission Ends	10th March 2021
Intimation of Acceptance	20th March 2021

CATEGORIES FOR FREE PAPER/CASES SUBMISSION

- Tubular Retractor Assisted Procedures
- Full Endoscopic Procedures
- Endoscope Assisted Techniques (including Destandau and Biportal Endoscopy)
- Recent Advances (including Navigation, Robotics, Biologics etc.)
- Percutaneous needle interventions
- Miscellaneous

**Note - Please read the detailed guidelines in the website before submitting the abstracts.*
